RE: Newaygo County Recycling Program

To whom it may concern,

As you may know, the County of Newaygo is, and has been, running the recycling program for over five years. This program has been totally funded by a partnership between the Fremont Area Community Foundation and Newaygo County, along with private donations.

With costs increasing as they have been, we are seeking additional funding through the help of the townships. For townships or entities concerned with their ability to give donations, this is not an issue, it is considered a fee for service to your residents, and if requested, we will send an invoice. We do not want to dictate a dollar amount as this service is more beneficial to some than others. Since these recycling services are not free, in order to maintain the program, we truly need additional contributions.

Contributions can be accepted via cash, credit card, check, and money order. I have attached the QR code which can be used to make donations via credit card. Checks/money orders can be made payable to Newaygo County and mailed to 306 S North St. White Cloud, MI 49349.

Please do not hesitate to contact us with any questions, comments, or concerns. We truly appreciate the support and look forward to hearing from you!

Regards,

A handwritten signature in black ink that reads "Dale E. Twing".
